OBJECTIVE

Dedicated and detail-oriented Java Developer with a strong grasp of Core and Advanced Java, Spring Boot, and SQL.

Skilled in building robust backend systems and RESTful APIs using industry-standard frameworks and database technologies.

Eager to contribute to dynamic development teams, solve real-world problems, and grow through continuous learning and hands-on experience.

SKILLS

Programming Languages: Java

Frameworks & Libraries: Spring Boot, Hibernate

Databases: MySQL

Tools & Platforms: Git, GitHub, IntelliJ IDEA, VS Code

Concepts: OOP, Collection Framework, DSA, Exception Handling, Multithreading, RESTful APIs

Soft Skills: Problem Solving, Team Collaboration, Communication, Leadership

INTERNSHIP

Role: Java Development Intern at Find Karo Technologies, New Delhi

Duration: 3 months (March 2025 – May 2025)

Contributed to backend development by writing modular and reusable Java code for real-time application features.

Identified and fixed bugs in existing codebase, resulting in 30% performance improvement of specific modules.

Collaborated with cross-functional teams to gather requirements and implement enhancements using Spring Boot and MySQL.

PROJECTS

E-Commerce Web Application ⬈   **Java, Spring Boot, Hibernate, MySQL**
- Built a dynamic and scalable full-stack e-commerce web application with features like user authentication, product catalog, shopping cart, and order management.
- Utilized Spring Security for role-based access control and JWT-based authentication; backend designed using RESTful APIs and connected to MySQL.
- Implemented MVC design pattern to ensure maintainability and scalability; improved backend response time by optimizing queries.

ACHIEVEMENTS

Consistently active LeetCode participant, solving numerous data structure and algorithm problems to strengthen problem-solving skills and coding proficiency.

Recognized as "Leader of Leaders" for providing regular technical support in Java during online coding sessions.

Resolved over 50+ peer queries, significantly reducing instructor workload and promoting a collaborative learning environment.
